

BUSTER + PUNCH

LONDON

BUSTER + PUNCH STARTED IN A GARAGE IN EAST LONDON, BUILDING CUSTOM MOTORBIKES.

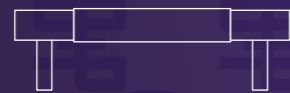

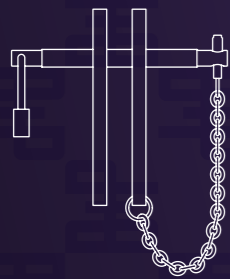

Our love for working with rare, solid metals has led us to transform everyday functional fittings into extraordinary home essentials.

From the light bulb, the dimmer switch and the pendant lamp to the door handle and the cabinet pull, Buster + Punch has created an innovative collection of unexpected design details.

BUSTERANDPUNCH.COM

[category. **CABINET HARDWARE.**]

A collection of unique kitchen handles, cabinet pulls, drawer knobs, door pulls and furniture hardware. Crafted from solid metal, using a diamond-edge cnc lathe and featuring either our signature cross-knurl pattern or our elegant linear-knurl pattern. Refined by hand.

[collection. **LINEAR.**]

Our new linear-knurl pattern is machined into 12mm diameter solid bar and inspired by fashion accessory hardware. Elegant in look and scale this knurl is beautifully refined. The linear-knurl is accompanied by machined torx screws.

[collection. **CROSS.**]

Our signature cross-knurl pattern is diamond-cut into 20mm diameter solid bar and inspired by machinery. Industrial in look and scale this knurl feels amazing under touch. The cross-knurl is accompanied by our signature solid metal coin screws.
